## Space of Holonomic Development of the Self

About the Skywalker bioregion, southern South America, just where this continent is rounded and the Ocean becomes the sea and the sea a river, in a nameless country (republic located at the east of the river: Eastern Republic of Uruguay), in a place called “Las Brujas” (The Witches) is anchored that human’s experimental base **at the cultivate of this garden.** There are 7 acres of flora and fauna preserved area, with stream and coast.

**JARDÍN (garden):** a place to flourish in harmony to a new consciousness.

**UR:** Land of UR, Universal Religion, re-linking all spiritual conceptions in this new time

**GAIA:** our Mother Earth, generous and inexhaustible supplier, recover us the conception of living being that is.

In the Garden is practiced and spread THE LAW OF TIME, 13 moon synchronometer, and every practice to cultivate the holonomic concept of human

“Vision without action is merely a dream.  
Action without vision just passes the time .  
Vision with action can change the world.”
